## *Mrs Eade's Elocution...*

The 2017 year is almost over and we are saying good bye to students, staff and parents. It has been a busy, but fantastic year filled with events that have brought us closer together.

We would like to thank you for your ongoing support throughout the year. We could not do it without your ongoing support. Thanks to Mrs Taylor, for a successful kindergarten transition program, I know our new students will settle in well in kindergarten 2018. We are lucky, as a small school, I know all students will transition into their next school year with ease.

Last week, we held our 'Grandfathers Gully' book launch. What a great project our school community has been a part of; Making history, telling history and sharing history of local Aboriginal culture. We would like to sincerely thank the team at University of Wollongong for their support and drive to see this project complete on time. We have had many enquiries of people wanting copies of the book. U.O.W is ecstatic with the positive feedback, and are continuing to work hard to share our story.

The students should be so proud of themselves!

Last Thursday we had our annual School Presentation Day, and thanks to Ms Fachinni and the team, it was a great event. It was a great opportunity to reward and acknowledge all our students for their academic and sporting achievements. We also welcomed in our new 2018 leadership team. Congratulations to Tyrell Hyland, Allidia Jessop as our new School Captains and Lachlan Darroch as our Vice Captain and Dane Wilson as the Prefect. I know these students will do our school proud! What a great opportunity to lead our school!

Thank you to the P&C for all your dedication and commitment to Mogo PS. Through fundraising efforts, the school will continue to provide for our school and we hope that the support continues in 2018. We will be looking for new parent/community members early next year.

On Tuesday night, we hosted a beautiful dinner for our Year 6 students. It was a fantastic night and we know the students and their families enjoyed the celebration. We wish all the best of luck for high school. You are ready!

With the end of the year also comes staff changes and family moves. We would like to take this opportunity to wish those students and families leaving us this year all the best in their new schools. We want to extend our sincere thanks and best wishes
