Sat 22 Sept	Working Bee

Mrs Eade's Elocution...

Book Week parade was a lot of fun. Thank you to our families for supporting it. The kids and staff had a great day. Commission from the Book Fair enabled a few new resources to be purchased for the library!

Welcome to Annette Reynolds, our new Learning and Support Teacher. Annette will be working with teachers, students and families to offer support to help learning and teaching in our busy classrooms.

Positive Behaviour for Learning (PBL) is starting in our school. The matrix attached sets out our school's behaviour expectations. This will guide us. The teachers will be talking with your child about this. It's important for everyone to be familiar with this. Any questions or feedback is appreciated and welcomed.

NAIDOC week (week 8) is approaching and we will be very busy. It will be an exciting week (attached is the program). The Koori cook off will be a first of its kind, all parents and community are welcome to attend. The more, the better!

Gymnastics excursion was a huge hit. The kids absolutely loved it (and us adults as well).

The school working bee is set for Saturday, 22 September. We need all the help we can get to spruce up our already beautiful school. Jobs include; removal of wood, gardening and filling sandpit. If you can help, please provide the office with your name by Friday, 31 August. This is for insurance purposes! Thank you.

Next week is SASS week and we would like to celebrate and acknowledge School Administrative and Support Staff. SASS staff have vital roles in the success of our school community, including our amazing ladies in the Office. Thank you to Mrs Wade, Mrs McCaul, Kizzy Nye, Katrina Collins and Warren Potts for all the dedication and support you put into our school every day.

Be a learner, Be responsible, Be caring, Be safe and Be happy!

Mrs Eade
Principal

Mogo Public School
