Mrs Eade's Elocution...

Wow, how time is flying! Can you believe it is November already? We have been working away busily in our classrooms, and are seeing great results. Well done.

In week 6 our swimming scheme starts, and all the students are very keen. Please don't forget to pack extra food for your child, because they do get hungry from all the learning and swimming.

This term, our attendance aims are 90% attendance and zero unexplained (unjustified) absences. At the end of term, students who reach this, will be invited to a special lunch.

Because the end of year is fast approaching, student leadership process for 2019 will commence in the coming weeks. Year 5 students will be busy working on their speeches which they will be presenting in Week 7.

Last week I attended the State Primary Principal Association conference, in Sydney. This experience allowed me to network with over 600 principals across the state. I was privileged to listen to many fantastic, motivational speakers and Turia Pitt was one that stood out for me. Turia spoke about resilience, personal goals and appreciating what you have every day. She was inspirational, and I certainly learned that we should never give up on what we want, and we should aim high. This is the message I'm bringing back with me, to staff and students. Mindset is very powerful!

A big thank you to Mr Greg McKay for taking the time to volunteer to paint a beautiful beach scene on our sick bay wall. Students who are not feeling well, will be able to feel calm and safe. I think we have the best school sick bay (photos at end of newsletter). Ask the children, they will tell you it looks fantastic.

Please keep an eye out for notes coming home for future school events, as term 4 is a very busy time for us all.

Be a learner, Be responsible, Be caring, Be safe and Be happy!
