## *Mrs Eade's Elocution...*

Welcome back to Term 4 everyone!

Students have made a settled return and are hitting the ground running. Teachers have enjoyed listening to the students' holiday stories. We have also been busy here at school during the holiday with the painting of the interior of the office building walls. It has certainly brightened things up, and it is refreshing to see.

I would like to welcome Mrs Marilyn Morley who was successful at gaining the classroom teacher position for term 4. Mrs Morley comes to us with a wealth of knowledge and experience, and she is already fallen in love with our beautiful school and students. Mrs Morley is a passionate teacher, with

experience of teaching in small schools. Welcome to our beautiful school Marilyn.

I would also like to extend the welcome to Mrs Jaclyn Egan who will be the relief teacher for Term 4. Mrs Egan will be teaching students in my class on Tuesday and Wednesday's as well as teaching in Mrs Taylor's K/1/2 class. Mrs Egan comes to us with experience, fresh ideas and a great interest in working in our small school. Welcome Jaclyn.

This term will see both students and staff very busy as we make our way to the end of 2019 school year. Things to keep in mind for term 4 are; excursions to Andrei's gymnastics, swim scheme, 3-6 annual big school excursion, presentation day, transition to high school events and moving into the festive season. Although we have lots happening, could parents continue to talk with children about expectations at school, learning will continue, and we are raising expectations.

The schools' END OF YEAR PRESENTATION organisation is well underway. Please lock this date into your diary Friday 29 November (Week 7) from 11am - 2pm. We would love to see as many parents/carers as possible attend our presentation day. We have some great performances to show you all!

If your child is attending the school excursion, please read the important information attached, and any notes that go home. We want the excursion to run as smoothly as possible. A special mention to Auntie Kizzy for organising such a huge event, which takes hours and months to plan and monitor.

Our school attendance rate is at 87%, and I aim to improve on this. At the end of term, students with 90% or more attendance or, with 0 unexplained absences (that are justified by principal) of whole or part days (arriving late/leaving early) will be invited to a special event at the end of the term. If your child

*This week, Mrs Taylor and Mrs Schuchmann are attending the Berry Street (trauma training) in Queanbeyan, to ensure we, as a staff are up to date with current research, and are providing the optimum learning spaces here at Mogo Public School.*

*I will be attending the New South Wales Primary Principals Association conference next week, and will be out of the school from Tuesday onwards. Mrs Taylor and Mrs Schuchmann will be holding the fort in my absence. This conference is an important professional learning for principals from all across the state.*
