Mrs Eade's Elocution...

As you are reading this, we are well underway into our 3-6 school excursion. We are having a blast!

Excursions are so important in providing experiences for students and these memories will stay with them for a life time. This week we will be very busy attempting all things new (including iFly - skydiving, yikes!).

Thank you to Mrs Schuchmann who will be supervising the school in my absence. Mrs Schuchmann and I, will communicate on a daily basis to ensure all things run smoothly. If you need to speak with me and it can wait until I return (after excursion), please phone Heidi in the office to organise a time to meet with me.

The remaining students at school will also be heading off on their excursion to Kings Point Water Park, where they too, will be having a wonderful time. We like to provide as many opportunities to students, and in order for this to happen, a lot of work goes on in the back ground, so I would like to acknowledge all the staff's efforts in making these events happen.

The swim program will commence in Week 6 and Week 7. All students should be encouraged to participate. Learning about water safety does save lives! With so much access to water ways in our community, it is a must that people of all ages learn about 'staying safe' and 'what you need to do, if you get into trouble'. We are all looking forward to another successful swim program. Parents/carers, please remember to pack a drink bottle and extra healthy snacks, as students get hungry after their time in the pool. In addition to this, please make sure your child has packed all they need!

Student Academic Report writing time is coming up, and teachers will be busy completing these. We aim to hand out reports early Week 10.

As it gets warmer, please make sure your child has a school hat and a drink bottle. We are enforcing a 'no hat, no play' initiative to make sure students are safe from the sun's rays. Although we have beautiful shaded trees, students will still be required to wear a hat, otherwise they will need to remain under the 'cola' to protect them. I thank those parents who have already purchased a hat for their child.

Kindergarten transition program is also happening this term. This program is so important for any new children who will be enrolling at Mogo Public School. As part of our 'transition program', parents/carers will need to participate in these events to ensure that we get to know' each individual child, and plan for their 'start to big school'. Thank

you to Mrs Taylor for organising this, on top of her normal teaching load. Please phone the school, if you need more information.

I have to go because we are having way too much fun here in Sydney. We can't wait to get back to tell you all about it!

Be a learner, Be responsible, Be caring, Be safe and Be happy!

MOVIE, PJ & GAMES DAY

Tomorrow we are holding a PJ, Movie & Games Day. Students come to school in their pyjamas, bring something to share during our movie time and have a fun games afternoon.

KINGS POINT WATER PARK

Students not on the main school excursion are being treated to a fun day at Kings Point Water Park on Thursday, 7 November. Students will have use of playground equipment, waterslide and paddle pools, games room, 7D Cinema (virtual rollercoaster ride).

Cost is \$30 and must be returned tomorrow.

Students can wear mufti clothes, bring their swimmers, towel, morning tea, water, hat and sun screen. Lunch is included in the cost.

COLOUR EXPLOSION

Our Colour Explosion Fundraiser due to be run last Friday had to be postponed due to only one student returning their sponsorship form and money. Well done Amiiarah.

The new date is Friday, 22 November, 1.30pm-2.45pm. **Sponsorship and money must be back by the Wednesday 20 November** as it has to be banked and prizes ordered. This fundraiser is to help offset costs later in the year for the Big Day Out, Yr 6 Farewell, disco etc. so please support Mogo Public School and return your forms and money. Thank you.

EXPRESSION OF INTEREST

An Expression of Interest (EOI) form is available from the office. If you have a child or know of a child, starting Kinder in 2020 please complete the EOI and return it to the office ASAP so we can start to prepare for the new students.

To start school a child must have turned 5 years of age before 31 July 2020.

KINDER ORIENTATION

Parents and carers of students starting Kinder in 2020 are warmly invited to our open classroom on Wednesday, 13 November at 4pm. Come along and have a look around and find out what Mogo Public School can offer you and your child.

Kinder Orientation, for students, will take place 18-22 November, 10.00-11.30am. Please bring a school bag with drink, hat and piece of fruit for fruit break.

PENPALS

Over the last two weeks, students in Umbarra class have been busy writing letters to their penpals at Berkeley Vale Public School, north of Sydney. We have sent them off in the post this week and look forward to their responses soon!

FRUIT BREAK

Just a reminder fruit break is at 10.30am daily. Please bring a piece of fruit cut up and school hat is to be worn.

BREAKFAST CLUB

Breakfast Club is open every Thursday and Friday morning.
