## Mrs Taylor's Tidbits...

Dear Parent / Carer,  
Welcome back to Term 4!

I hope you are all back into the swing of learning from home for the beginning of Term 4. This term will see a lot of changes as we gradually transition back to face-to-face learning. Below are the key dates and details to help prepare you and your family for the return, including some changes in the staged return to school.

During Term 4, students will return to school in a staged approach, with no mingling or on-site activities.

In schools like ours where we have been learning from home for extended periods of time, students will return to face-to-face learning with NSW Health-approved COVID-safe settings on school sites as a Level 3 Plus School, in the following order:

**from 18 October – department preschools, Kindergarten, Year 1**

**from 25 October – all remaining year groups.**

For those families who have siblings across year groups I know it will be difficult to keep some at home while others are back at school. But to re-iterate the message above – we need this time to prepare our school and staff for having all our students back, so it's essential that you only send your children to school in line with our set plan.

### Just a reminder

Please continue to urge your child/ren each day to engage in their learning and complete the set work. By completing each day's work and engaging with staff when they call, it ensures that they are marked as 'attending' for those completed days. While any

day that they don't engage in, an 'absence' will be recorded on the roll.

Please stay safe and well, and be assured that we will advise you of new information as soon as we can.

Mrs Taylor  
Rlg Principal
