Mrs Schuchmann's Spiel...

Welcome back to Term 3 & I hope that everyone had a chance to enjoy the truly beautiful winter weather we're experiencing.

This term we have introduced an SMS alert system to help with our Attendance Program. When students are absent from school, an SMS will be sent out to the parents /carers mobile number around 10.30am. Parents/carers then need to respond to the SMS, or phone the school to justify the absence. We really hope that this will help with reducing the number of unexplained absences that we have been experiencing.

On Thursday of this week, we will be holding our Athletics Carnival. We will be walking over to Mogo Oval at 10am where we will hold our running events, discus and shotput. We will return to school by lunchtime. Canteen will operate as normal so lunch orders can be made. We thank you for not attending the oval to watch the carnival as we do have Covid restrictions to follow and we will post as many pictures as possible on Facebook.

Next week is Education Week. This year's theme is: Lifelong Learners. To celebrate and showcase our celebration of Public Education we plan to put together a video which will go on Facebook. Again, we know you'll understand that due to Covid

restrictions we can't invite you onsite, but we do want you to share in how great our school community is.

This week we are finalising our collection of data for the Nationally Consistent Collection of Data (NCCD) on school students with disability. Please read the attached letter for more information about this process.

As usual, if anyone would like more information or needs to chat, please don't hesitate to call. Stay well, safe and happy.
