Ms Dallas' Dialogue...

Dear Parents and carers,
It is so nice to see the blue sky and sun. Hope you enjoyed the weekend.

We are having a 'Meet the teacher and staff barbeque' on Wednesday, 30 March at 3.45-5pm. It is a lovely way to finally get back into our school, meet all our teachers and SLSO's working everyday with our children and our new staff to the school. Great way to convey those little things we need to know about your child to ensure we maximise your child's learning.

You can have a lovely meal, find out what is happening in our school, what programs are running, meet myself and all our new staff and check out what's happening in the garden. Speak to your child's teacher and visit their classroom. We would love to see every parent here. Do not worry if your late or need to leave early because we are just happy to see you here especially after COVID.

Our new school Chaplain, Cameron will be starting this Friday and will be working with our children every Monday and Friday. Gerald Dennis from Katungul is coming in to work with our senior boys over the next few weeks. We are just waiting for a clearance for Tristian to begin at Mogo Public School as a General Assistant.

Please remember it is vital for all students to be at school five days a week for them to develop good literacy and numeracy skills. If there is anything that prevents regular attendance such as lack of uniform or lunch etc. please contact us for help.

Mrs Niddrie and Bilima have been busy publishing Charlie and the Chocolate Factory stories. What a magnificent job they have done. Please enjoy reading them.

As part of the Gardening and Art Program we are writing and publishing Chook information Reports. Each class is working hard to complete their report. I have included Rhiarla's Chicken Report for you to read.

An update on the garden, we have much growth on our lettuce seedlings and next week we will plant lettuce seeds. Our radishes are almost ready to pick and eat. Our Sweet potatoes and strawberries are growing well. We will be planting beds of peas and sugar snap peas and flowering sweet peas very soon. We do need our small Olive trees and banana tree dug out and replanted down the back if there is anyone who can help with this please contact us as soon as you can.

Hello from Marida

Carol has been working with the K/1/2 students, every morning on their Sight Words. These students need to be congratulated for their efforts.

A huge shout out to our parents and carer's for taking the time to listen to our children read each night in our Home Reading Program.

Leyla Taylor

Bilima

In class we are studying Our Local Community in History and we are learning a lot about our local stories and traditions in and around Mogo. Today we went in small groups on a walking tour of Mogo village. Our task was to map the main street, the local shops and labelling them and creating a detailed map of what we saw. Of course, we were spoilt by finishing the walk off with an ice-cream from the local fudge shop. Yum! Thanks to all our helpers for making it such a special day, but a BIG thankyou to the Bilima students for being such wonderful and well-behaved representatives of our school.

P&C NEWS

At our AGM last week, the following positions were filled:

President:	Kizzy Nye
Vice President:	Andrew Craft
Treasurer:	Chris McCaul
Canteen supervisor:	Kizzy Nye

We are in need of a Secretary. This position requires the minutes of the meeting being written down and typed up for the next P&C meeting. Attending to correspondence that comes in and sending out any letters/emails that the meeting request. We have one or two meetings a term. If you feel this is the job for you, please speak to Kizzy or Lynn. Thank you.

Easter raffle tickets are now selling. To help make this a super raffle, we welcome donations of Easter items for the baskets. These can be left in the school office. Thank you.

Adelle's Chocolate Room.

In my chocolate room it has a chocolate river and a chocolate fox. It has a chocolate tree with a chocolate tree trunk. It has a big chocolate house and big honey flowers and a big rainbow. It has big lollipops as good as could be and the lollipops have stars made out of chocolate. It has a rainbow chocolate ocean and a chocolate boat too. It even has a chocolate car and it is very good too. It even tastes like fudge hot chocolate. There are honey crunch flowers and a chocolate mint grass too and it even has chocolate stars. It smells like fudge chocolate chip and marshmallow crunch. It is so good and there is even a big chocolate marshmallow fudge, caramel grass. It even has milky chocolate walls and they taste really good. It has hot chocolate for you to drink that tastes really yummy.

Avah's Chocolate Room.

Avah's room has candy apples covered in caramel and oreo's. It smells like white chocolate caramel. You can hear trees blowing and crunchy grass. You can taste chocolate crunchy grass too. You can feel sticky piles of melted chocolate. There's a chocolate door and it smells like cotton candy.

Delilah's Chocolate Room.

The Factory has candy apples and chocolate. It has chocolate gum and chocolate eggs. It smells like mint apples too and you can hear waves and pipes pushing and jokes and bubbles and singing. You can taste caramel, nuts, fudge, salted caramel and pineapple. It feels gooey, soft, sticky, smooth, thick and runny.

Noah's Chocolate Room

Outside my chocolate room is a red door with a chocolate knocker covered in strawberries. The door opens and there are marshmallow stairs leading down to a candy forest with sugar plum plants, chocolate fudge trees with green apple leaves, the flowers are made out of caramel fudge and the petals are made out of grape strawberries and green apple flavour. There is a chocolate river. There is a cake and marshmallow bridge across the river that leads to a ginger bread village, where Mr Wonka and the Oompa Loompas live.

One afternoon Xavier went to sleep, but he forgot to set his alarm. So when he woke up he was late. So he put his socks and shoes on and went to school. He found 50 cents! He grabbed it. So, when school was done he ran to the shop to get a Caramel Crunch bar. When he opened it he thought it was just the caramel that had melted but no it was the last Golden Ticket.

He walked out of the shop like nothing had happened. He ran home but when he got home there, there was a news reporter van outside. Xavier thought someone saw him and he was right. When he walked through the door his mum was having microphones in her face. Xavier pushed them out and told his mum what he did. His mum let him go to Willy Wonka's Chocolate Factory.

Sam Garden was hungry, so he sneaked out of his house because his mum and dad said, "No". So, he went to the Gogo shop and found some money. He bought some Willy Wonka chocolate bar the flavour of Smooth Caramel Nut Late.

Inside was a gold shimmer. He opened it a little more and....
A Golden Ticket fell out!!!

He yelled out, "I GOT THE GOLDEN TICKET". So Sam ran back home and went into his bedroom. "Mum and dad, I'm ready for school." "Ok", said mum. One hour later mum went to clean his room and saw the Golden Ticket. When Sam got home his mum said, "Explain yourself". After explaining what he had done, mum said, "Go to your room." Two days later mum said, "Get ready! Let's go to the factory."

After their visit to the factory, Mum and Sam got a whole supply of chocolate for life.

They lived happily ever after, munching on chocolate!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

One day Emily Shine woke up and Emily was hungry. She snuck out to the shops and got a chocolate bar. She ripped a corner off the chocolate bar and there was a Golden shine. Emily carefully peeled back the wrapper and she found a Golden ticket. I better get home before my parents come in. Emily snuck back home to her room. Emily's mum screamed "time for breaky." Emily said "Coming." She was not hungry. She had eaten the chocolate and the news crews found out where Emily lived. The news crews were excited. Mum said "Emily come down now." "ok." Emily said "what mum?" "Can you tell me what you have got in your room?" "Do you have a chocolate bar and a Golden Ticket?" Emily said "ummm yes!" "You are grounded go to your room." Emily was crying. Mum said "go now." Emily stopped crying at last. Emily still had the chocolate bar at dinner time. Mum and Dad said "come down, dinner is ready." Emily ignored them. Mum and Dad were so angry so they went to the shops to get some food to eat. When they got home Emily's Mum said "sorry Emily I just didn't want you to go out of the house. They lived happily forever.

Rhiarla's chicken report.

General classification

Chickens are a part of the bird family. Most birds can fly and have feathers. They have two legs and two wings and can lay eggs.

Habitat/where found

Chickens are found all around the world. They also live in farms and backyards and some are at the zoo. There are some that are wild chickens in India and Southeast Asia.

Description

Chickens have two legs and two wings covered with feathers they have two eyes. They can come in black, white, brown, blue, green, red, silver, gold they have sharp nails and they are about 20-30 cm tall and roosters have a wattle and comb.

Food

They eat seeds, fruit, grass, bread, snails, worms and vegetables.

Life Cycle

They mate then she lays heaps of eggs and sits on them for 3 weeks (21 days). Then chicks hatch out and they grow into a young chicken then a chicken grows into a hen or rooster.

Predators of poultry

The predators of chickens are; foxes, cats, dogs, dingos, snakes, and humans.

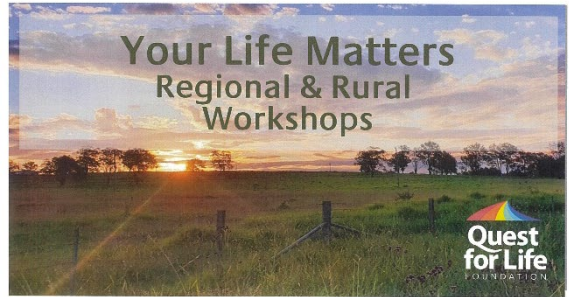

The benefits of keeping chooks for your family

There are many benefits of keeping chooks. Firstly, you get fresh eggs for cooking. Secondly, you get free fertilizer for your garden. Thirdly, it's fun and calming to watch chickens. Finally, it helps children learn responsibility by feeding, watering and cleaning the chook boxes.
