## Ms Dallas’ Dialogue...

Dear parents, carers and grandparents,

### Grandparents Day

This Friday, Mogo Public School celebrate Grandparent’s Day and we welcome Grandparents, Parents/carers and Uncles and Aunties into our school. Peter Poole will be leading our school in a musical performance. Parents will attend classrooms to look at books, have a book read to them, some students will read their own written story and they will play old fashion games with their grandparents. We will have a sausage sizzle for \$2 to raise funds for Yr 6 Farewell, free tea and coffee for our visitors. The students are looking forward to seeing you all.

### Mobile Phones

All students who bring mobile phones must take the phone to the office each morning. No student is allowed to keep the phone on them or in their bag. This is for the safety of all students. A big thank you to those students who do this every day without a fuss.

## Kinder 2023

We have started our planning for 2023 and it is time to let us know if you have children you are intending to enrol in kindergarten next year. Many of our families have already contacted the school, however, if you have not yet or you know of someone with a school aged child, please contact our school office or go to our website to make an online application. School zoning areas are in place and you can use the School Finder website (<https://schoolfinder.education.nsw.gov.au/>)

## Year 3-6 Camp Cottermouth

I would like to say how proud I am of all the students who attended the four-day camp to Canberra. For some of the students it was their first sleepover and time away from parents. The students had a magnificent time at the Canberra Museum, Questacon etc. I hope you enjoyed watching the trip through our Facebook page. A big thanks to Catrina Niddrie, Andrew Craft, Cameron our school chaplain and Auntie Kat who supported the 13 students on camp.

### **Non-camp students**

The non-camp students had a wonderful week back at school going to Mogo Zoo, especially feeding the giraffes. For Education Week the students dressed up as their future self and we had doctors, army men, teachers, artists etc. The students looked fantastic. Well done, students and parents. The Friday involved a relaxing movie and popcorn session.

### Waagura

Waagura students had a great time at camp! We were very busy every day and learnt so much about the attractions in our capital city. I think the highlight for most had to be Flipout! We had a very informative trip to the Aboriginal Embassy and learnt about the fight for Sovereignty for the land. Skye presented the embassy with a smoking ceremony gift from Walbunga country which included an abalone shell bowl and magpie feathers to represent our school totem. We also had a great time at Questacon learning about a range of science topics and taking part in a variety of experiments.

I hope you have heard about lots of the fun things we got up to.

Andrew Craft

### Bilima

Everyone in Bilima would like to thank families for their love and support whilst we were on excursion. We had a fabulous time and have made life long fun memories. A big special thanks to all those that helped organise the excursion behind the scenes and to those that stayed with us everyday. It was AWESOME!

Reminder that book week is fast approaching and to start organising your book week outfit for the Book Week Parade. We welcome everyone to come along and celebrate with us.
